**WSC response to the novel coronavirus disease (COVID-19)**

Wall Street College is continuously monitoring the ongoing impact of COVID-19 and is taking appropriate action in line with advice from relevant government and health authorities.

**TEMPORARY CHANGES TO DELIVERY MODE**

To ensure we are limiting our movement to stop the spread of COVID-19, Wall Street College has made temporary changes to their delivery mode. The delivery strategy adapted by Wall Street College during the COVID-19 pandemic is a blend of synchronous and asynchronous learning, facilitated via video conferencing (zoom) and supported by learning management system. This strategy will mimic face-to-face classroom delivery and will be maintained at 20 contact hours per week for international students.

**Note: Please contact Wall Street College on 03 9629 4770 (Melbourne) or 03 8648 8556 (Hobart) or email us on admissions@wallstreet.edu.au for further information.**

**IF YOU ARE SICK**

Stay at home, self-isolate and check your symptoms. Symptoms include – fever, coughing, sore throat and shortness of breath. If you are sick and think you might have COVID-19, check your symptoms using healthdirect's Coronavirus (COVID-19) Symptom Checker – https://www.health.gov.au/resources/apps-and-tools/healthdirect-coronavirus-covid-19-symptom-checker

**Note: If you have serious symptoms such as difficulty breathing, call 000 for urgent medical help.**

**PROTECT OTHERS AND STOP THE SPREAD**

We can all help slow the spread of COVID-19 in Australia.

To protect others, you must:
- practise good hygiene
- practise physical distancing
- follow the limits for public gatherings
- understand how to isolate if you need to

**Note: If you have a confirmed case, you must isolate yourself to stop the virus spreading to other people.**

**STAY INFORMED AND PROTECTED**

Wall Street College recommends all its students and staff download the official government apps to stay up to date and protected.

1. COVIDSafe app – https://www.health.gov.au/resources/apps-and-tools/covidsafe-app
2. Coronavirus Australia app – https://www.health.gov.au/resources/apps-and-tools/coronavirus-australia-app
3. Australian Government WhatsApp channel for COVID-19 – https://www.health.gov.au/resources/apps-and-tools/australian-government-whatsapp-channel-for-covid-19
